

Thank you for your interest in enrolling yourself, your loved one, your patient or your client in Project Open Hand!

At Project Open Hand, our medically tailored meals and groceries help clients recover from critical illness, get stronger and lead healthier lives. Our vision is that no one who is sick or elderly in our community will go without nutritious *meals with love*.

Our Services: Alameda County

The Wellness Program provides free medically tailored meals and groceries, nutrition education opportunities, and consultation from our Registered Dietitians to critically ill clients. We currently serve clients diagnosed with:

- Hepatitis C
- HIV/AIDS
- Cancer (Stage 3 & 4)
- Recent major surgery (short-term services of 6 weeks, must be referred within 30 days of discharge

Eligibility

A licensed medical provider must fill out the application (attached) for the client to apply for services. Our Client Services team will assess additional eligibility and recertification requirements.

Services

Services include medically tailored meals and/or groceries and nutrition counseling from our Registered Dietitians.

Don't have one of these diagnoses? We may have other programs for you! See our website or call for more details and the latest updates.
